# **You can get almost anything you want at Ada Flea Market**

**There's a song by Arlo Guthrie "You Can Get Anything You Want At Alice's Restaurant."**

**While, no relation to Arlo, Ada's Gus Guthrie's Ada Flea Market is sort of like Alice's Restaurant.**

**Gus says that there's something for everyone at Ada Flea Market. Located at 111 N. Main St., Ada, the market is open Thursdays from noon to 5 p.m., and Fridays and Saturdays from 9 a.m. to 5 p.m.**

**Everything you want...including antiques, furniture, electronic items, kitchenware, toys, book, games, collectibles and lots more.**

**New items come to the flea market each week. This photo scrapbook shows just a glimpse of things you'll find at Ada Flea Market.**
