

Merry Christmas

A Christmas visit to New Leaf

Need a little Christmas Spirit? Or, need some holiday decorating ideas?

Here's our suggestion: Make trip to New Leaf Landscape/ Garden Center's Christmas Shoppe, 0395 State Route 235, Ada.

As the sign outside reads "Candy and lots of decorations." That's just for starters. You'll also find:

- Country and rustic decorations
- Snowmen • Santas • Angels • Artificial trees
- Chocolate cluster candy • Greenery

In short, everything you need for your holiday decorating is in the Christmas Shoppe.

For a preview, we offer the following photographs of New Leaf as it is decorated for the holidays.

And, take time to view the You Tube video of the Icon's walk through the store.
