

Ada's Christmas scenes of 2015

Merry Christmas from the Ada Icon

Turner residence

We've collected holiday photos from the Icon and from two Ada Facebooks. We put the photos in a box, wrapped them in decorated paper, tied a ribbon around the box and placed the box under your tree.

Our photos are from Ken Collins, Monty Siekerman, Fred Steiner and from the Ada school Facebook and Ohio Northern University Theatre Department Facebook.

We hope you enjoyed these holiday scenes of Ada.
