It's where Bluffton gets its news!

An afternoon in the Iowa bluffs of a village called Bluffton

Ever visited Bluffton, Iowa 52101?

We have. And we have photos and a couple tee-shirts from Randy's Campgrounds in Bluffton to prove it.

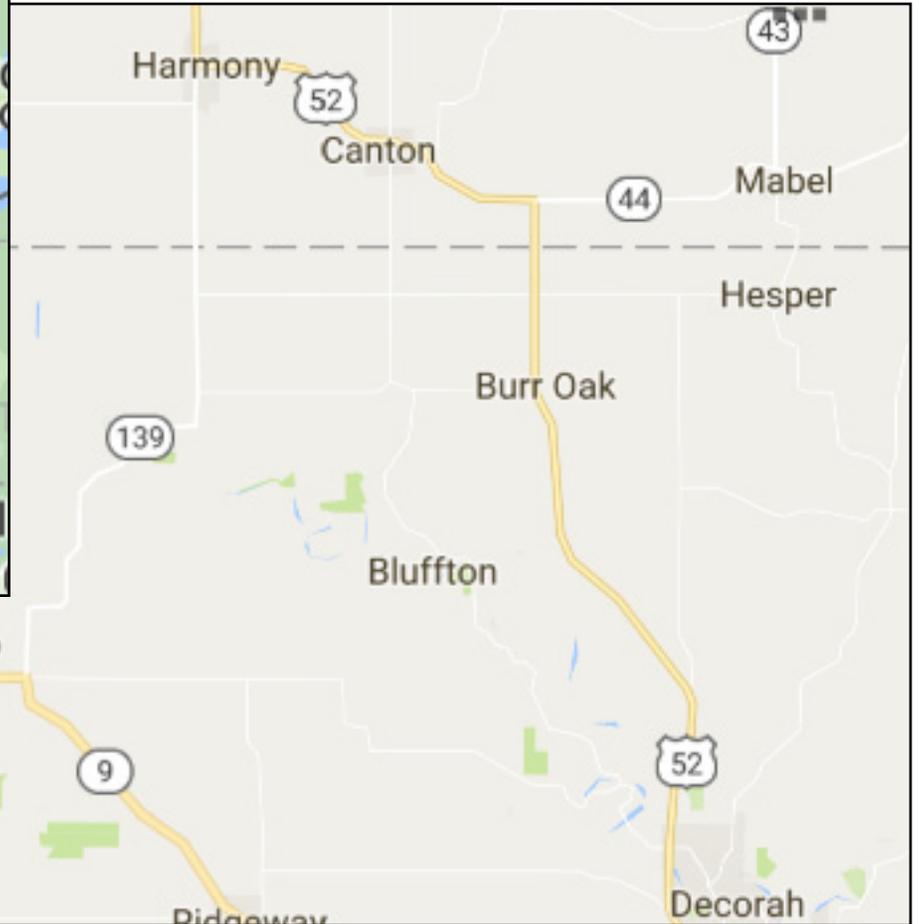

Our Bluffton, Iowa, visit was a one-day side trip from LaCrosse, Wisconsin, where we stayed for one week with our daughter and her husband.

Nestled on a bend in the Upper Iowa River next to the Bluffton Fir Stand State Reserve, our sister village of Bluffton, Iowa, lies in a beautiful, remote, hilly bluff-laden countryside.

We stopped at Randy's Campground bar where we met Randy, one of the friendliest guys you would ever want to meet.

Then we cruised the Bluffton countryside. Here's our photo album.

Here's where you find Bluffton, Iowa.
