

Jalapenos

Burrito

Huge flour tortilla, stuffed full with cilantro-lime rice, choice of beans, choice of meat, choice of salsa, sour cream, cheese and lettuce. To make it vegetarian, we'll substitute the meat for guacamole.

Fajita Burrito

Similar to the burrito, but we swap out the beans for peppers and onions. The vegetarian fajita has pepper and onions as well as beans and guacamole.

Burrito Bowl

Have it any way you like it; vegetarian, fajita, or regular burrito. We keep the shell and give you a fork instead.

Salad

Freshly chopped lettuce, topped with your choice of beans, choice of meat, choice of salsa, and cheese. Top it off with our homemade chipotle-honey vinaigrette.

Nachos

Warm, freshly-made chips, piled high with choice of meat, choice of beans, choice of salsa, sour cream, and cheese.

Quesadilla

Our same great giant flour tortilla shell, packed full of your choice of meat, choice of beans, and cheese; then grilled to crispy perfection. Add salsa and sour cream on top to complete your meal.

Tacos

Choose 3 of our soft or crispy corn tacos, then fill them up with your choice of meat, choice of salsa, sour cream, cheese, and fresh lettuce.
