# Soil Health Tour & Wrap-Up Event 2023

Northwest Ohio's Soil Health Tour is back and better than ever for its third year! Curious what you can do to improve soil health? Don't know where to start? Do you have questions about practices? Do you just want to learn more about soil health? Then this year's **fully virtual self-paced tour** is for you!

Explore videos, photos, and farmer interviews discussing soil health-promoting practices in use around Northwest Ohio. At the wrap-up event, talk with other producers about ideas and concerns you may have for soil health.

Virtual tour stops will be available online from November 15<sup>th</sup> through November 29<sup>th</sup>. A Soil Health Event with a guest speaker will conclude the tour on November 30<sup>th</sup>. Check out the event website for up-to-date information about the virtual sites and speaker details for the wrap-up event. Certified Crop Adviser (CCA) credits will be available for the wrap-up event. Registration is required by November 20<sup>th</sup> for the in-person wrap-up event. There is no charge to attend, and a meal will be provided.

**EVENT SPONSORS:** The Nature Conservancy; OSU Extension Paulding County

Visit the event website for more information or to register by visiting [go.osu.edu/SoilHealthTour](https://go.osu.edu/SoilHealthTour) or by scanning the QR code to the right with your phone camera
