Live comfortably in this corner-lot tri-level. Admire the clever use of space and design in this 3 bedroom, 1.5 bath with large lower level family room. Lower level utility room, office and basement that could be finished to add extra living space. Count on even more ideal features such as kitchen appliances included, two-car garage, and great outdoor space with 2 sheds, large deck and partially fenced yard.. Here are great looks, plus lots of great living!
