Country Living with quiet surroundings. This farmhouse has super large kitchen built in cabinetry, pantry, breakfast bar island, and all appliances. Utility room off the kitchen. Over sized family room with vinyl laminate flooring. Two bedrooms on main floor. There is a large bedroom on the upper level. Water softener is included. HVAC is newer and Septic replaced in 2015. Great views from the back yard. Detached 2 car garage. Shed is for the well pump house.
